

## Black Sand - Premium Powder Coat

Fine textured matt finish that protects against fading, scratches, smudges, dust and dirt. Versai Industrial

### Versai Residential

Residential fences sets a precedence for unmatched quality and durability in the ornamental fence industry. Using propriety technology in both functionality and coating, it offers extreme versatility for grade changes and unrivalled exterior coating for weathering the outdoor elements.

### Versai Commercial

Commercial enhances the Residential product line with adjustable commercial grade, heavy-duty rails and architectural grade powder coating. Panels are manufactured to minimise installation time while providing the strength and durability required for commercial installations.

### Versai Industrial

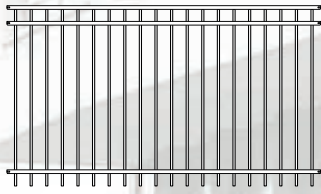

The Industrial version of VERSAI leveraging the same quality and characteristics of Residential and Commercial while enhancing the products strength and security. Industrial is ideal for high security installations such as government buildings, military facilities, and high security facilities.
